I'm expanding this to an hour in order to cover all 3 florida issues –

Ex. 5 AC/DP

Ex. 5 AC/DP

Ex. 5 AC/DP I'd like to get up to speed and decide whether we should discuss these at WLO's hot issues meeting with Matt on the calendar for next Tuesday from 2-3. If we do that we'll want to have briefing papers to share with him that would go beyond the papers that were presented to him on esa/assumable waters the last time.

Heidi – including you because of your work on Idaho, and you and Alexis and we can arrange to attend not the whole hour.
